His Illness Was Completely Routed by the Ocean Voyage, He Says, Although He Is Still Somewhat Weak.

THE SOFT COAL DANGER.

Believes Nation Should Regulate Trusts, but Considers Great Aggregations of Capital Ne-

trace of his recent illness in London, ame ashore from the Oceanic to-day,

Mr. Carnegie was deeply affected by news of the death of former Speaker Reed. He compared Mr. Reed's illness to his own. On the subject of trusts, Mr. Carnegie advanced the opinion that existing laws are adequate to cover the few questions of moment that he did not touch on in an interview with an count of the sand representation. There are believe the law should stop it. I am sorry to hear that distress exists on account of the sand interview with an count of the sand interview. Evening World reporter coming up the

bad," said Mr. Carnegie. "I cannot tell "I am afraid that if New York gets into the habit of using bituminous coal of Ten Real Property of the death into the habit of using bituminous coal of Ten Real Property of Ten Real Property of the death into the habit of using bituminous coal 'It is the sorriest homecoming I ever of Tom Reed. He was a personal friend. I knew him and Jim Blaine as young lose one of its pre-eminent characterismen. It is too, too bad that he is dead-

ANDREW CARNEGIE, AS PHOTOGRAPHED BY EVENING WORLD ARTIST ON OCEANIC. HUNSE WALKED

spiracy to take advantage of the cold weather to keep up the price of coal.

"If they are doing that," he said, "I believe the law should stop it. I am sorry to hear that distress exists on account of the scarcity of coal for more than one reason. In this connection I should like to utter a word of caution.

"I am afraid that if New York gets late the babt of using bituminous coal."

"I he babt of using bituminous coal."
"I believe with Confucius that the lad never seen the house and hoped it was as nice as the picture. Then he turned the pages of the newspaper reading items of news here and there. "I am glad," he remarked, "to know that Cornelius Vanderbiit is better. He country cannot afford to lose young millionaires of his capabilities."
On the subject of trusts and trust legislation Mr. Carnegie said.
"I believe with Confucius that the it will never give up the practice. If the use of soft coal is continued the city will tics-cleanliness. No city in the world is cut off in the prime of his strength and so clean. I hope the newspapers will support the authorities in getting the

usefulness as a citizen.

Like His Own Case.

He was taken the same way I was, the pains in the side. Fortunately the cition in my case. I told them in London that if I could get to sea I would eall right, and I land in the United tates in good health."

Mr. Carnegie then asked about the coal situation. He was told that there was an apparently well-founded impression that the operators, wholesalers, speculators and some dealers were in a contact of the latter of the country can spank the bad ones and pat the good ones on the back. During my voyage I read Attorney-General Knox's speech on the subject. I consider it a literary gem, and sound and conservative as well.
